For cars entering/exiting via Saxe Rd. (preferred): Enter the parking lot via Saxe Rd. The drop off and pick up lane for car riders is on the EAST side of FMS, in the parking spaces closest to Door 5. Cars dropping off students should form a single-file line and pull forward nearest Door 5 so multiple cars can unload at the same time. *Students should never be dropped off in the stadium parking lot or outside of the drop off/pick up zone.*

Drop off/pick up locations for cars entering via Route 43: Drivers can only drop off and pick up students in designated crosswalk locations. *Students should never be dropped off outside of the crosswalks.*

If you are picking up a high school and middle school student, please pick them up in the area marked MS & HS Student Pickup. Students are not permitted in the staff parking lot.
